

Registration Form - Children & Youth Liturgical Ministries

Please fill out & send or e-mail to the Liturgy Office - pbartnick@saintjn.org

PHILOSOPHY: All children & youth in the 4th through twelfth grades are invited to participate in the Liturgical Ministries at St. John Neumann. Parents are also welcome (and needed!) to serve in select roles. This offers a wonderful way to more fully celebrate the Mass together. The experience of participating in a liturgical ministry can help our young people find a place in the church where they can develop self-expression, leadership qualities, self-discipline, and group disciplines. At the same time, they will enjoy the positive atmosphere of fellowship and prayer through the liturgy. A variety of opportunities for liturgical ministries are listed below.
