

## Completing the online Candidate Commitment Form:

In order to complete the online Candidate Commitment Form, you will need to login to Realm, our new parish database. You can find information on Realm and how to login below. Once you are logged in, you will need to register your teen for the “EVENT” called “TEEN CONFIRMATION COMMITMENT FORM”. There is a \$20 fee which will cover the cost of a robe which will be worn by the Candidate during the Sacrament Mass.

### New Parishioner Database.

Recently we migrated to a new parishioner information system, Realm. Similar to Access ACS, you will use this new system to register your child for Faith Formation classes and other programs, like Confirmation Preparation.

### What's New.

Realm helps enable communications among adult parishioners and build community. Those with accounts are listed in a Directory visible to others with accounts. Although you can't eliminate your name, you can control how much information you share (email, phone, etc.). Realm also offers a chat function, which can facilitate coordination among ministry groups, parents of faith formation children, etc. Minors are not listed in the Directory and are unable to communicate within the system.

### Have an Account?

If you have an account based on access to the previous system (meaning you registered online last year), go to <https://onrealm.org/StJohnNeumannCa/SignIn>, enter your email address, and select **Forgot Your Password?**. Follow the instructions to reset your password and gain access to the new system.

### Need an Account?

If you have never registered a child online for Faith Formation classes or otherwise used Access ACS, you will need to establish a Realm account. Contact the Faith Formation Office at [reregistration@saintjn.org](mailto:reregistration@saintjn.org) or (703) 390-2348 to do so.
