

How to Donate to the Shelter Meals Program, St. John Neumann Outreach

What: The Shelter Meals Program’s goal is to partner with local restaurants for the next three months (August to October 2020; extended through January 2021) to provide meals to the clients at Embry Rucker Shelter in Reston and the guests at The Lamb Center at Fairfax Circle. We will also reach out to other local shelters.

We will give updates on the funding and delivery of the meals on the SJN website so that you can see your donation at work. We will re-assess the program in January 2021 and determine the need to extend it.

Why: The shelters continue to request meals as donations have been negatively impacted by the coronavirus pandemic.

Who: Anyone who would like to contribute a donation through the SJN website in order to fund meals for three months.

How Much: A contribution of any size is helpful. We aim to have a fund of \$4,000 to provide nine meals over the three-month period.
