

Rooted Session #4

- NOVEMBER 14, 2021
- NOVEMBER 15, 2021
- NOVEMBER 21, 2021

Suggested questions for your ride home from Rooted:

- What room did you tour in the church?
- What was in that room?
- What goes into planning and preparing for a Mass?
- Did this session change your opinion of Mass? What is/was your opinion of Mass? What has changed?

Suggestions to reinforce Rooted while growing your domestic church:

- Have a conversation about how your family celebrates various events and the prep needed for those celebrations. Point out that Mass is the ultimate celebration.
- Attend Mass in person or via streaming as a family.
- Discuss the similarities between Mass and other celebrations.
- Brainstorm what preparation was likely done in order for the celebration of that Mass to occur.
