

Rooted Session #5

- DECEMBER 5, 2021
- DECEMBER 6, 2021
- DECEMBER 12, 2021

Suggested questions for your ride home from Rooted:

- What is something new you learned about the Mass today?
- What did you learn about Passover?
- How does Passover relate to our Mass?
- Were you in the skit? / What role?
- What did you make for the Hypothermia Shelter?
- In what other ways do you plan to be Christ's hands this Advent?

Suggestions to reinforce Rooted while growing your domestic church:

- Attend Mass in person or via streaming as a family.
- Discuss the parts of the Mass and the importance of fully participating. Use the Rooted in the Mass book (found on the website) for any assistance needed.
- We are nourished at Mass so that we can go out and be Christ's hands to others. Have a discussion about how your family lives that.
- Look at the volunteer signup for Hypothermia Shelter (found on the website) and consider having your family provide a meal; or find another way to bring God's love to others!
