

# Rooted Session #7

- JANUARY 30, 2022
- JANUARY 31, 2022
- FEBRUARY 6, 2022

## *Suggested questions for your ride home from Rooted:*

- What were you given to bring home?
- How do you plan to use that and why?
- How do you live or how could you better live your calling as Priest, Profit, and King?
- What are the Gifts of the Holy Spirit?
- Who do we know that lives these Gifts? How?

## *Suggestions to reinforce Rooted while growing your domestic church:*

- Use the Holy Water as a family and talk about every members Baptism.
- Consider adding a Holy Water font near your front door so that members of the family can bless themselves when exiting into the world and upon returning to the Domestic Church of your home.
- Look at photos and videos from Baptisms in your family. Bring out the Baptism candles and garments to see.
- Talk about the God parents of each member of the family and the Confirmation Sponsors (for those who have been Confirmed already) and why each of these people were chosen. How do they live out their Catholic faith?
