

# Rooted Session #8

- FEBRUARY 27, 2022
- FEBRUARY 28, 2022
- MARCH 13, 2022

## *Suggested questions for your ride home from Rooted:*

- How did your team do in the scavenger hunt?
- How does the Eucharist transform us?
- How was Adoration? How did it feel?
- What were you given to bring home? Where do you plan to keep the card?

## *Suggestions to reinforce Rooted while growing your domestic church:*

- Talk about what the Eucharist means to you with your family and encourage everyone to join in the conversation.
- If you've done Eucharistic Adoration before, talk with your child about your experiences.
- Consider attending the next youth Adoration with your child (see the website and flyer which will go home for upcoming dates and times).
- Encourage your youth to do extra chores or consider giving up a family meal out to earn money for our upcoming service project. See the website for more info:
