

Rooted Session #9

MARCH 27, 2022

Suggested questions for your ride home from Rooted:

- What role did you have during the food packing service project?
- Why is it important to help others in this way?
- What did you learn about the Rosary?
- Which mysteries of the Rosary did you learn? Explain what they are.

Suggestions to reinforce Rooted while growing your domestic church:

- Consider putting together a basket of food to donate locally.
- Pray a decade of the Rosary together. (Or pray the whole thing!)
- Listen to music by Joe Melendrez as a family and locate some of the Scripture verses used.
