

FIFTH SUNDAY OF LENT

This illness is not

Dear Parishioners,

I want to share two recent events that have been a real “shot in the arm” for our parish, especially during this season of Lent.

The first was our Parish Lenten Mission, “Salesian Spirituality in a Post-Pandemic World,” led by Oblate brothers, Fathers Mike and Joe Newman. Each evening of the Mission, we had over two hundred participants. After an opening prayer, Fr. Mike gathered with the Hispanic community in the Chapel, while Fr. Joe remained with the English-speaking community in the Church. To end each evening, the community came together in the Church for a ritual, closing prayer, and song. The Mission was upbeat and reflective of Salesian spirituality. One of the main focuses of the Mission revolved around the Gospel for the Fourth Sunday of Lent, Cycle A - the “Woman at the Well.” Fr. Joe had a real gift in sharing stories with wonderful insights into that particular Gospel story and reflections and suggestions in living the Christian life through the lens of Salesian spirituality. I was very encouraged by the enthusiasm that parishioners shared by attending in person or watching the live stream or the recordings.

The second event occurred on Saturday, March 18. The eighteenth annual “Live Jesus, Be at Peace” conference was held at St. Paul VI High School. This annual event, typically held on the third Saturday of Lent, is always a wonderful, uplifting morning. The keynote speaker was Brother Mickey McGrath, OSFS, who should be familiar to everyone in the SJN community. He just presented on “Madonna’s of Color” here on January 24.

In his classic style, Brother Mickey shared stories of his art that couldn’t help but put one at peace while also allowing one to do some self-reflection. The two talks that followed, one given by Sister Susan Louise Eder, OSFS, and the other by Tom Opfer, Ph.D., gave us much to reflect on the theme, “Be at Peace.” Sister Susan Louise gave wonderful insights into the Salesian Saints Jane de Chantal and Leonie Aviat and their paths to peace. Tom focused on the Salesian virtues of gentleness, gratefulness, and giving and how they can help us find peace in a busy world. He reflected on his love of singing and the peace it brings him to share with others.

Both of these events, along with the activities of many of our ministries, such as the Stations of the Cross/Soup Suppers, and our small faith-sharing groups (such as ARISE and Little Rock Scripture Study), are making a real difference in the spiritual life of our faith community, especially during this Lent. Thank you to all who make these events possible - either by attending them, helping run them, or both. I would also like to extend a special acknowledgment to parishioner Carol Swiger and her Live Jesus team, which gives so much time and effort every year to bring this wonderful event to the DMV area.

Changing gears, I have a favor to ask. If you have not given to the BLA this year, please consider doing so. It is a vital tool to assure that the ministries and programs that serve the people of this diocese, especially the poor and those who are struggling, can continue. It is also a way for our parish community to express our support and unity to the larger diocesan Church.

I pray that all of you are having a meaningful and transformative Lent. Live Jesus, Fr. Joe!

Salesian Reflection for the Fifth Sunday of Lent

Today, Jesus, as He raises Lazarus from the dead, urges us to live and believe in Him. St. Francis de Sales expands on what it means to live in the Spirit of Jesus:

Jesus desires to give life to those dead to attest to God's love for us. He speaks to those who are deadened by sin to affirm that all can hear the voice of God through the Spirit. The Spirit gently awakens us to a new human life. No matter how weakened our hearts may be by sin, the Spirit strengthens them with an invigorating and enlivening holy love. The Holy Spirit is like a fountain of living water that flows into every part of our hearts to spread its divine love there.

All our affections follow love. In love, we desire, rejoice, hope and despair, fear, hate, avoid things, feel sad, grow angry, and exult. Love is the foundation of our life lived in the Spirit of Jesus. When divine love reigns in our hearts, it transforms all other affections we have chosen so that we may live, walk, and work in the Spirit of Jesus. The Spirit has no wish to enter our hearts without our permission. The Spirit will flood us with divine love only with our cooperation. So, what must we do to nourish a spirit where the Spirit of Jesus can dwell? When reason guides our appetites, feelings, and emotions, we are then living in the "spirit." We live in the "flesh" when our appetites, feelings, and emotions determine our actions. Let us unambiguously choose a life in the Spirit.

If a sick man takes only part of his required medicine, it partly heals him. So also, with divine love, to the extent we consent to embrace it, the Spirit floods us with sacred love. Thus, we must not only receive God's love at our heart's door but also into our heart's consent. We must nurture this love guided by holy reason and wisdom. When steeped with the love of the Spirit, our hearts produce sacred actions that tend toward immortal glory. Let us consent to a new human life in the Spirit of Jesus, who raises us to eternal glory.

RCIA: The Third Scrutiny

This Saturday at the 5:00pm Mass, we celebrate the Third Scrutiny with our Elect, Dan Rosenhoch. The time for his initiation into the Catholic Church through the sacraments of Baptism, Confirmation, and Eucharist grows closer. We pray that his spirit may be filled with Christ, the Life, who raised Lazarus from the tomb. We recognize the deep structural sin present in our world that fails to recognize the inherent dignity of all persons from conception to natural death, sins like human trafficking, war, and violence against women. We pray that this rite will strengthen ourselves and the Elect in the resolve to hold fast to Christ, who died so that all could have abundant life.

Join Us for Taizé Prayer on Tuesday, April 4

We will hold April's Taizé prayer service on Tuesday, April 4, at 7:30pm. Prayer in the spirit of the Taizé community is a meditative form of common prayer, expressing a basic reality of faith through repetitive songs to reinforce the meditative quality of prayer. The community thinks of itself as a "parable of community," a sign of reconciliation between divided Christians and separated peoples. "Right at the depth of the human condition, lies the longing for a presence, the silent desire for a communion. Let us never forget that this simple desire for God is already the beginning of faith." Brother Alois, Prior of Taizé. We hope you can join us for this unique prayer opportunity.

Únase a nosotros para la oración de Taizé este martes 4 de Abril

Celebraremos el servicio de oración de Taizé de abril el martes 4 de abril a las 7:30pm. La oración en el espíritu de la comunidad de Taizé es una forma meditativa de oración en común, que expresa una realidad básica de la fe a través de cantos repetitivos para reforzar la cualidad meditativa de la oración. La comunidad se considera una "parábola de comunidad", un signo de reconciliación entre cristianos divididos y pueblos separados. "En lo más profundo de la condición humana se encuentra el anhelo de una presencia, el deseo silencioso de una comunión. No olvidemos nunca que este simple deseo de Dios es ya el comienzo de la fe". Hermano Alois, Prior de Taizé. Esperamos que puedas unírte a nosotros en esta oportunidad única de oración.

A New Way to Find out What's Going On at SJN

Starting this Thursday, March 30, there will be a new way to find out what's going on at SJN. We will be rolling out our new "SJN Snapshot" news blast. We will send it to your inbox every Thursday. It will give you the weekly event calendar, including the Religious Education schedule, and highlight important, upcoming events around the parish. It will also solicit your feedback on how we can improve the Snapshot.

At first, we will send the SJN Snapshot to our Religious Education mailing list, but as we make suggested changes, we will send it parish-wide with an opt-out option. So, look for the first Snapshot in your inbox this Thursday, March 30. The Snapshot will be a bilingual publication in English and Spanish.

Hearing the Cry of the Earth and the Cry of the Poor

This Lent, we are sharing stories from our sisters and brothers who are overcoming the impact of climate change. Catholic Relief Services (CRS) is working in many countries on projects that protect both the environment and the poor, who are often the first to experience the negative impacts of climate change while contributing the least to its causes.

Oír el clamor de la Tierra y el clamor de los pobres

Esta Cuaresma, compartimos historias de nuestras hermanas y hermanos que están superando el impacto del cambio climático. Catholic Relief Services (CRS) está trabajando en muchos países en proyectos que protegen tanto el medio ambiente como a los pobres, que a menudo son los primeros en experimentar los efectos negativos del cambio climático y los que menos contribuyen a su causa.

Story from Bangladesh

Bangladesh experiences an intense yearly monsoon season, which causes flooding and destroys farms and crops. The monsoons are becoming more frequent and severe, making it difficult to farm and earn an income. Hunger and malnutrition are scary yet real consequences. This family found a solution in a CRS project that helps families reduce their risk from a natural disaster. He learned how to protect his plants from flooding by putting them on raised beds and making and using organic fertilizer to grow healthier crops. With these new skills and techniques, he is growing and selling a larger variety of vegetables and more of them. (Source: www.crsricebowl.org)

Historia de Bangladesh

Bangladesh sufre cada año una intensa temporada de monzones, que provoca inundaciones y destruye granjas y cultivos. Los monzones son cada vez más frecuentes y severos, lo que dificulta la agricultura y la obtención de ingresos. El hambre y la desnutrición son consecuencias temibles pero reales. Esta familia encontró una solución en un proyecto de CRS que ayuda a las familias a reducir el riesgo ante una catástrofe natural. Aprendió a proteger sus plantas de las inundaciones colocándolas en bancales elevados y fabricando y utilizando abono orgánico para obtener cultivos más sanos. Con estas nuevas habilidades y técnicas, está cultivando y vendiendo una mayor variedad de hortalizas y más cantidad de ellas. (Fuente: www.crsricebowl.org.)

We are Called to Action and Prayer

What we can do: We may not be farmers, but we can create our outdoor spaces to create a healthier environment for people, animals, and plants.

Fast from Non-Native Plants. As you look to your yard for springtime freshening, consider the effects of planting, fertilizing, watering, mowing, and weeding. Each has a ripple effect on the larger habitat and contributes to our carbon footprint. To make your yard eco-friendly, shrink your grassed area; plant native shrubs, trees, and flowers, especially the oak tree; place native plants at the base of trees instead of mulching; and reduce light pollution.

Prayer: May we recognize how our actions impact the planet and increase our efforts to support people most vulnerable to climate change.

Estamos llamados a la acción y a la oración

Lo que podemos hacer: Puede que no seamos agricultores, pero podemos crear nuestros propios espacios al aire libre para contribuir a un entorno más sano para las personas, los animales y las plantas.

Rápido con las plantas no autóctonas. Cuando busques en tu jardín un refresco primaveral, ten en cuenta los efectos de plantar, abonar, regar, segar y escardar. Cada uno tiene un efecto dominó en el hábitat más amplio y contribuye a nuestra huella de carbono. Para que tu jardín sea respetuoso con el medio ambiente, reduce la superficie de césped; planta arbustos, árboles y flores autóctonos, especialmente robles; coloca plantas autóctonas en la base de los árboles en lugar de mantillo; y reduce la contaminación lumínica.

Oración: Que reconozcamos cómo nuestras acciones repercuten en el planeta y redoblemos nuestros esfuerzos para apoyar a las personas más vulnerables al cambio climático.

From The Parish Nurse Have You Considered Faith Community Nursing?

I know many practicing registered nurses are out there, but have you ever considered Faith Community Nursing (Parish Nursing) as part of your professional education? Faith Community Nursing is an ANA specialty practice in nursing with its Scope and Standards of Practice. It differs from traditional clinical nursing because it is not "hands on clinical or physician directed care." Instead, the focus is pastoral care, advocacy, counseling, education, resources, and referrals for parishioners and the greater community support, all in the context of one's faith tradition. Parish Nursing also requires a strong clinical background and excellent communication skills. Educational programs are available both in Virginia and Washington, DC. For more information, please e-mail me at sinfeld@saintjn.org. I encourage all of you who are RNs to prayerfully consider if God is calling you to this unique professional and vocational area of nursing.

De la enfermera parroquial ¿Has considerado la Enfermería Comunitaria de Fe?

Sé que hay muchas enfermeras registradas en ejercicio, pero ¿alguna vez has considerado la Enfermería Comunitaria de Fe (Enfermería Parroquial) como parte de tu educación profesional? La Enfermería Comunitaria de Fe es una práctica especializada de la ANA en enfermería con su Alcance y Estándares de Práctica. Se diferencia de la enfermería clínica tradicional porque no se trata de "cuidados clínicos prácticos o dirigidos por un médico". En su lugar, se centra en la atención pastoral, la defensa, el asesoramiento, la educación, los recursos y las derivaciones para los feligreses y el apoyo de la comunidad en general, todo ello en el contexto de la propia tradición religiosa. La enfermería parroquial también requiere una sólida formación clínica y excelentes habilidades de comunicación. Hay programas educativos disponibles tanto en Virginia como en Washington, DC. Para más información, envíenme un correo electrónico a sinfeld@saintjn.org. Os animo a todos los que sois enfermeros diplomados a considerar en oración si Dios os está llamando a esta área profesional y vocacional única de la enfermería.

A Lenten Meditation From the SJN Racial Justice Ministry

The Gospel readings this Lent tell us that Jesus brings eternal life to those who trust and follow Him and that doing so will lead us to a life of holiness. When we follow Jesus in prayer and action, we become holy in the way God means us to be.

One action pleasing to God is caring for those who are struggling. Our Parish Mission focused on the reading for the third Sunday in Lent: John's Gospel of the Samaritan woman at the well. Jesus' society rejected Samaritans, and the woman at the well was an outcast in her society. Still, Jesus chose to reveal himself to this woman, demonstrating his love and care for her. He asks us to do the same for those struggling with rejection.

There are over 100 million forcibly displaced people in the world today. People from Syria, Venezuela, Ukraine, Afghanistan, South Sudan, Myanmar, and many other countries desperately struggle to survive daily. The chaos in the world can cause us to feel far removed from these people. We can show our care by learning about their struggles, praying, and supporting them. To follow Jesus, we must open our hearts to these children of God.

How are you being called to take action to remember those struggling in our world?

Meditación de Cuaresma del Ministerio de Justicia Racial de SJN

Las lecturas del Evangelio de esta Cuaresma nos dicen que Jesús trae la vida eterna a quienes confían en Él y lo siguen, y que hacerlo nos llevará a una vida de santidad. Cuando seguimos a Jesús en la oración y en la acción, nos volvemos santos en la forma en que Dios quiere que seamos.

Una acción agradable a Dios es cuidar de los que tienen dificultades. Nuestra Misión Parroquial se centró en la lectura del tercer domingo de Cuaresma: El Evangelio de Juan de la mujer samaritana en el pozo. La sociedad de Jesús rechazaba a los samaritanos, y la mujer del pozo era una marginada en su sociedad. Aun así, Jesús decidió revelarse a esta mujer, demostrándole su amor y su cuidado. Nos pide que hagamos lo mismo con los que luchan contra el rechazo.

En el mundo hay hoy más de 100 millones de desplazados forzosos. Personas de Siria, Venezuela, Ucrania, Afganistán, Sudán del Sur, Myanmar y muchos otros países luchan desesperadamente por sobrevivir cada día. El caos en el mundo puede hacer que nos sintamos muy alejados de estas personas. Podemos mostrarles nuestro afecto conociendo sus luchas, rezando por ellos y apoyándoles. Para seguir a Jesús, debemos abrir nuestros corazones a estos hijos de Dios.

¿Cómo te sientes llamado a actuar para recordar a los que luchan en nuestro mundo?
